* L indicates energy efficient insulation option

Tongue-and-groove construction is used in the manufacturing of all 2400 series doors. The door shown includes optional polystyrene insulation panel. (exterior cross section view)

2400

series

2400 Series / 2" thick / R-7.45 available

Superior Craftsmanship.

The 2400 Series is a high quality, low maintenance line of garage doors designed to add distinction to any home. Experience the look of deeply embossed wood grain with the strength and durability of 24 gauge galvanized steel. The 2400 Series offers the look of wood without the worry of warping, cracking, or rotting.

The 2400 Series carries a Limited Lifetime Warranty as well as a full range of options including glazing, pre-finished color, and window style. Also available is an upgrade to energy efficient insulation with the 2410L, 2460L, 2461L, 2470L and 2480L models. Adding beauty and value to your home has never been so easy!
